MASSACHUSETTS

Recognizing Excellence in
Commuter Options

Fenway Park
March 22, 2016

March 22, 2016

Dear Guest,

Welcome to the sixth annual Excellence in Commuter Options (ECO) Awards!

The Massachusetts Department of Transportation (MassDOT)—through MassRIDES, the Statewide Travel Options Program, and MassCommute, the coalition of Massachusetts TMAs—have come together to honor Massachusetts employers in their efforts to reduce greenhouse gas emissions through decreased drive-alone trips while encouraging employees to travel to work by transit, carpools, vanpools, or by bicycling and walking.

By emphasizing all modes of travel when designing roadways, along with working with MassRIDES, MassCommute, and other partners to spread awareness of travel options to commuters, MassDOT helps make Massachusetts an innovator in promoting shared use of infrastructure on roadways across the Commonwealth.

It pleases me to see the growth of this event, as it signifies the strong partnerships that have formed across the public and private sectors. The work that you, our Massachusetts employers, property managers, and municipalities do to promote sustainable commute options has helped to make healthier and greener communities across the Commonwealth.

The efforts promoted throughout our network of Massachusetts employers to encourage employees to seek active and sustainable commute options support our state in reducing traffic congestion and promoting healthy lifestyles. Your innovation is what drives us to success.

Thank you for all of the work that you do. I look forward to our continued collaboration in the years ahead as we strive to make Massachusetts a better place to work and live. Go Sox!

Warmest regards,

Stephanie Pollack
Secretary and CEO
Massachusetts Department of Transportation

Spotlight Winners

Leadership in
Innovation
Eastern Bank

Recognition of an employer or institution for the design and implementation of innovative commute options initiatives that positively influence employees and reduce drive-alone travel.

Rising Star
Six Flags

Recognition of an employer or institution that has made significant progress in promoting sustainable transportation options through resourceful actions such as employee outreach and education, commuter options and incentives, and innovative

Leadership in Commuter
Engagement: Outstanding ETC
Worcester State

Steve Bandarra
